

A.R.E.'s 2008 Employee Compensation & Benefits Report is now available— Order your copy today!

Use this valuable resource to see how your company's compensation and benefits practices compare to your industry peers.

Based on 2008 statistics and published every other year, this report includes industry-specific data collected from 76 companies that provide fixtures and other products and services for retail environments. The report provides detailed analyses of employee compensation, including base salary, commission or bonus, and benefit levels. Compensation and benefits and fringe benefits are analyzed by title, materials used, union vs. non-union, and company sales volume. Executive, management, technical, sales staff, and production employee data is included.
