

A.R.E.'s 2008 Industry Performance Report is now available—order your copy today!

Use this valuable resource to see how your company's performance compared to other companies in the retail environments industry in 2007.

Revenue growth and profit before taxes are just two of the measures reported in the 2008 Industry Performance Report. The detailed, comprehensive 39-page financial survey analysis of the retail environments industry also includes industry averages for all line items on the income statement and balance sheet as well as cross-references by sales volume, product mix, and type of materials used.

The 80 A.R.E. member companies that participated in the confidential survey reported total sales of \$2.1 billion in 2007.
