#### About PAVE

Founded in 1992, The Planning and Visual Education Partnership's (PAVE) objective is to encourage students to study in the field of retail design and planning and visual merchandising through its annual Student Design Competition. Additionally, PAVE seeks to encourage retail management, store planners, visual merchandisers, architects, and manufacturers to interact with and support design students. This is accomplished through seminars, workshops, and PAVE's annual fundraising Gala with proceeds dedicated to financial aid and internships for qualified students. PAVE is a 501(c)(3) foundation administered by the Association for Retail Environments (A.R.E.), formerly NASFM.
